

Growing Impact

432 girls pursuing Engineering received scholarship and career guidance

86 Dhokra artisans from the Kondagaon, Chhattisgarh were trained on design, marketing and e-commerce skills

20,944 women received free diagnosis and referral support for their illnesses through mobile healthcare facilities and cancer care awareness programmes.

125.74 million litres is now the storage capacity of five rejuvenated waterbodies in Sohna block, boosted by heavy rains.

OneStager Diksha Awarded AVPN Philanthropy Fellowship

Diksha Patial from OneStage has been awarded the prestigious AVPN Philanthropy Fellowship with Cambridge Judge Business School. The fellowship equips leaders with knowledge and networks to drive strategic impact. Representing OneStage, Diksha brings back insights to strengthen equity, resilience, and community-led change across our initiatives.

OneStage Co-chairs WINGS Asia-Pacific

The WINGS Asia-Pacific Working Group officially launched in Hong Kong, uniting members from 13+ countries to shape the future of philanthropy. OneStage CEO, Dr. Pratyush Panda, has been confirmed as the Working Group's first Co-chair, alongside Wang Rui from Global Giving.

OneStage Wins Global Sustainability Award 2025

OneStage has been honoured with the Global Sustainability Award 2025 for our flagship PANI programme, recognized under SDG 17: Partnerships for the Goals. This achievement reflects how our alliances with corporates, governments, and communities are transforming water security and resilience. Together, we're scaling solutions that drive lasting change.

OneStage Awarded ICSSR Women-Led Research Project

OneStage has been selected under ICSSR's Women-Led Research initiative to study Gendered Pathways to Resilience in Odisha. By examining climate change impacts on rural women's livelihoods, OneStage will generate insights that strengthen community-led action, promote equity, and advance sustainable, resilient development across vulnerable regions.

OneStage Drives Plastic Mukt Gurugram at Namo Yuva Run

OneStage led its flagship Plastic Mukt Gurugram campaign at the "Namo Yuva Run," engaging crowds to promote cleaner, sustainable communities. With Shri Ajay Kumar ji, (DC Gurugram) and Sanjiv Singla ji, SDM Badshahpur (SPOC, Plastic Mukt Gurugram) supporting, our team distributed eco-friendly bags and shared the project's impact, inspiring collective action toward a plastic-free Gurugram for generations to come.

OneStage stands with victims of Punjab Floods

As waters recede in villages like Sadawali, Maan, and Kalanwali, families face hunger, fragile homes, and rising health risks. OneStage has been on the ground, listening and supporting communities on the path from survival to rebuilding. Punjab needs us all. Stand with them.

The Enterprise World Recognizes OneStage CEO as a Visionary to Watch

Our CEO, Dr. Pratyush Kumar Panda, has been recognized by The Enterprise World as one of 2025's Most Impactful & Visionary Personalities. His leadership drives OneStage from boardrooms to grassroots—building sustainable, community-led impact nationwide. This honor reflects our shared journey toward equity and lasting change.

Celebrate Daan Utsav with OneStage!

This Daan Utsav, join us in spreading hope and joy—whether it's supporting flood-affected communities in Uttarakhand and Punjab, or fulfilling wish trees for government schools. Together, we can make giving a celebration and create lasting smiles across India.

Reaching Women, Strengthening Care

OneStagers Amit & Ishaan visited Sawai Madhopur and Dausa, Rajasthan, to support our 2 Million Women: Community Mobile Healthcare project powered by Corteva. While communities shared positive feedback, the visit reaffirmed the power of collective action—strengthening primary healthcare and spreading awareness to ensure more women and communities continue to benefit.
