## Growing Impact

Education

**432** girls pursuing Engineering received scholarship and career guidance

Livelihoods

**41** Dhokra artisans from the Kondagaon, Chhattisgarh were trained on digital platforms and e-commerce solutions

Healthcare

**40,901** women received free diagnosis and referral support for their illnesses through mobile healthcare facilities and cancer care awareness programmes.

Climate Action

**148** million litres is now the storage capacity of five rejuvenated waterbodies in Sohna block, boosted by heavy rains.

## 27 Years of Purpose, Partnership & Progress

OneStage (Regd as Charities Aid Foundation, India) marks **27** years of enabling generosity and driving change. From catalyzing philanthropy to leading direct community action, our journey stands on trust and collaboration. With equality as our lens and climate resilience as our path, we continue empowering changemakers and transforming lives—together.

## Empowering Girls Through Dignity and Dialogue

During their visit to Ajmer, OneStagers Sweta and Nishank witnessed how the Right to Access Sustainable Menstruation project supported by The Jansen Foundation is transforming schools. Through WASH refurbishments and menstrual health awareness, the initiative is improving attendance, confidence, and well-being, creating supportive spaces where girls can learn and lead with dignity.

## Empowering Bell Metal Artisans for a Digital Future

In Chhaniyagaon, Kondagaon, **41** bell metal artisans participated in an intensive training under OneStage's initiative with Pernod Ricard India Foundation. The sessions blended traditional artistry with modern skills—covering innovative design, digital commerce, GST registration, branding, and packaging. By equipping artisans to navigate e-commerce platforms and market demands, the program is empowering them to enhance visibility, expand income opportunities, and preserve India's rich handicraft heritage through creativity, collaboration, and digital transformation.

## Driving Healthcare Access, One Village at a Time

As part of our 2 Million Women: Community Mobile Healthcare initiative with Corteva Agriscience, OneStage's Amit Kapoor and Ishaan Chatterjee visited Sawai Madhopur and Dausa, Rajasthan. The visit reaffirmed the power of partnerships and community participation in delivering quality, dignified healthcare—strengthening primary services and empowering women through timely awareness and care.

## Strengthening Trust and Transparency in India's Nonprofit Sector

OneStage in partnership with Collaborative Philanthropy Foundation continues to strengthen India's Not for Profit sector. In October 2025, the Collaborative Philanthropy Foundation has completed **4** due diligence checks ensuring donor confidence and verifying credible NGOs. Additionally, **5** granting aid RFPs were circulated with our verified NGOs.

## Community Voices from PANI: Water Transforming Lives

In Khohar and Hariyahera villages, Focused Group Discussions revealed the deep impact of OneStage's PANI initiative rising water tables, stronger community ownership, and safer, well-lit spaces for women. Local enterprises are thriving around rejuvenated ponds, showcasing how water revitalization drives both livelihoods and lasting community transformation.

## Strengthening Community-led Water Governance in Haryana

Under our flagship PANI program supported by Bank of America, OneStager Sweta Ranjan visited Hariyahera, Sahjawas, and Daula villages to assess progress and community ownership of rejuvenated ponds. Engaging with local leaders and committees, the visit reinforced PANI's mission of building resilient, community-driven water governance ensuring sustainable water, agriculture, and livelihoods.

## Honouring a Decade of Dedication: Sandhya & Udaya's Journey with OneStage

We celebrated two incredible milestones — Udaya's **9** years and Sandhya's **10** years with OneStage. Their journey reflects our shared values of purpose, passion, and perseverance. From challenges to change-making, they've helped shape OneStage's story of impact and integrity. Here's to many more years of growing together!
